

## *Our Wine Philosophy*

At the Fig Tree Restaurant we believe that great wine should be an integral part of a great meal, not just for enjoyment on special occasions. We offer a diverse selection of wines from all over the globe to complement each course of our menu. We have carefully tasted and selected each wine with a variety of palates and budgets in mind.

We hope that you find our selection of varietals to be interesting and delicious. For something a little different, check out our “Exciting Whites” and “Exciting Reds” categories or consider a wine from our selection of Magnums and Splits that may better match your needs.

We update our wine list weekly with the goal of assuring you that if a bottle is on our list, we will have it on our shelves. However, we may occasionally sell out of a particular label between printings in which case we will make every effort to aid you in selecting an alternative. We encourage your feedback and hope to delight everyone with a memorable dining experience. Enjoy!

Men are like fine wine.  
They all start out like  
grapes, and it's our job  
to stomp on them and  
keep them in the dark  
until they mature into  
something you'd like to  
have dinner with.
