

At The Fig Tree Restaurant, we believe that great wine should be an integral part of a great meal, not just for enjoyment on special occasions. We offer a diverse selection of wines from all over the globe to complement each course on our menu. We have carefully tasted and selected each wine with a variety of palates and budgets in mind.

We hope that you find our selection of varietals to be interesting and delicious. For something a little different, check out our “Exciting Whites” and “Proprietary Reds” categories or consider a wine from our selection of Magnums that may better match your needs.

We update our wine list weekly with the goal of assuring you that if a bottle is on our list, we will have it on our shelves. However, we may occasionally sell out of a label between printings in which case we will make every effort to aid you in selecting an alternative. We encourage your feedback and hope to delight everyone with a memorable dining experience. Enjoy!

-Sara and Greg Zanitsch
